**GOTOCOLLEGEFAIRS.com**  
Streamlining the College Fair Circuit

**Easy for the students.**

**Fast, accurate information for colleges.**

**New ordering options!**

### How Does It Work?

- Students pre-register for the fairs at [www.gotocollegefairs.com/montana](http://www.gotocollegefairs.com/montana). The student registration form offers more detailed information than most prospect cards can provide.
- Registration information is translated into a barcode that students print and bring to the fair.
- College Representatives with a scanner can simply scan the barcode to capture the student's data. Colleges get complete, accurate, legible information, EVERY TIME.
- Ability to upload student data from the road gives you a quick turnaround on the leads.

### Ordering options!

This year we will be offering two rental options:

- **Option 1 - Rent a scanner or use the mobile app that works at ANY automated college fair for the entire fall fair season. You can upload at your convenience and scan with confidence anywhere you go! Packages start at \$119.00**
- **Option 2: Rent a scanner to use only at the MPSEOC Fairs. The scanner costs \$65 and will scan both paper and smartphone display barcodes. Pick up the scanner at the fair. Uploading and processing of the leads will take place in-house when the scanner is returned.**

Montana Post Secondary Educational Opportunities Council  
2014 College Fairs and Cash Scholarships

**STUDENT REGISTRATION**

To register for a Montana Fair, students need to fill out and submit the following required information before the actual fair, and print off your "Student Scholarship Barcode" that will be created when you submit this form. You must bring the "Student Scholarship Barcode" form to the College Fair. This is how you will get information from the colleges as well as register for the \$1,000 College Cash Scholarship!

When you register for the Montana College Fair services through Technology Resource Corp (TRC), you are providing personal information. This information will be provided exclusively to the Montana Post Secondary Educational Opportunities Council (MPSEOC), MESA (Montana State University) Student Assistance Foundation, GOAT (G) and the sponsors of the fair. By submitting the form the registrant agrees and gives permission that all personal information will be shared with the Montana Post Secondary Educational Opportunities Council (MPSEOC), MESA (Montana State University) Student Assistance Foundation, GOAT (G) and the sponsors of the fair. TRC does not sell, or lease any registered information to the public.

**If you are having a technical error printing your bar code for the fair, please call our Help Registration helpline ☎ 1-888-40-CC20 and tell them you are trying to register for the Montana Fairs and are having technical problems and they will be happy to help you.**
