Easy for students.  
Fast, accurate information for colleges

## ORDERING OPTIONS!

### How Does It Work?

- Students pre-register for the fairs at [www.gotocollegefairs.com/montana](http://www.gotocollegefairs.com/montana). The student registration form offers more detailed information than most prospect cards can provide.
- Registration information is translated into a barcode that students print and bring to the fair.
- College Representatives with a scanner can simply scan the barcode to capture the student's data. Colleges get complete, accurate, legible information, EVERY TIME.
- Ability to upload student data from the road gives you a quick turnaround on the leads.

### Ordering options!

This year we will be offering two rental options:

- **Option 1 - Rent a scanner or use the mobile app that works at ANY automated college fair for the entire fall fair season. You can upload at your convenience and scan with confidence anywhere you go! Packages start at \$119.00**
- **Option 2: Order an access code to use the mobile app for MPSEOC Fairs only. The access code costs \$65.00 inclusive of leads and will scan paper and smartphone displayed barcodes. Upload leads directly from your device. Processing of the leads will occur at the end of the Montana Tour.**

Montana Post Secondary Educational  
Opportunities Council

2014 College Fairs and Ca\$h Scholarships

---

**STUDENT REGISTRATION**

To register for a Montana Fair, students need to fill out and submit the following required information before the school fair, and print off your "Student Scholarship Barcode" that will be created when you submit this form. You must bring the "Student Scholarship Barcode" form to the College Fair. This is how you will get information from the colleges as well as register for the \$1,000 College Ca\$h Scholarship!

When you register for the Montana College Fair services through Fairlinking (Pleasant City, OH), you are providing personal information. This information will be provided according to the University of Montana, Secondary Educational Opportunities Council (SEOC), NECA National Services (NCSU), Student Assistance Foundation (SAF), and the operators of the fair. By submitting the form the registrant agrees and gives permission that all personal information will be shared with the Montana Post Secondary Educational Opportunities Council (MPSEOC), SEOC National Services (NCSU), Student Assistance Foundation (SAF), and the operators of the fair. SEOC does not sell, rent, or lease any registrant information to third parties.

**If you are having a technical error printing your bar code for the fair, please call our Volo Registration HelpLine @ 1-800-401-0000 and let them know you are trying to register for the Montana Fairs and are having technical problems and they will be happy to help you.**
